Burn Day Status

USE THE TABLE BELOW TO SEE IF IT IS A **BURN DAY IN YOUR AREA**. Find your area on the left and look in the column for the day you are interested in. Be sure to **read the Special Conditions** for your area.

NO means that Open Burning is Prohibited in your area on the day specified.

YES means that Open Burning is Allowed in your area on the day specified, w/a Valid Permit if required.

For non-residential burning, an Air Pollution Permit from the Air District is always required. Burn only dry, natural vegetation that grew on the property where you are burning. Never burn garbage, construction debris, painted wood, wet piles, or piles composed primarily of leaves and pine needles. For best smoke dispersion, recommended burn hours are 9 A.M. to 3 .PM.

All Federal Holidays are **NO BURN DAYS** in all areas

Call (530) 274-7928 for Burn Status updates via telephone
